

Safeguarding Resources SR0 September 2025

Safeguarding is a priority for Cymar and its constituent Area Meetings, Local Meetings and CCQW (Crynwyr Cymru/Quakers in Wales). We are committed to creating safer places by following statutory guidelines on good working practice.

You can find our policy and procedures here.

The detailed safeguarding resources (SRs) that you may need in particular circumstances are listed below. Those which require details to be entered are also provided as Word documents for completing digitally if you prefer.

Please return to this web page and use its links whenever you need to find something. That way, you will always have the most up-to-date version of any document. Some contact details have changed since the last review so it is important to use the current versions. There are likely to be updates at the beginning of each calendar year.

We want to make it easy for you to have a basic understanding of safeguarding and what we are committed to do. So, first look through “SR1 The Basics” – this section is for everyone.

We wish to acknowledge the helpfulness of our Friends in West Wiltshire and East Somerset Area Quaker Meeting. We were inspired by the layout and accessibility of the Safeguarding section of their website and were given permission to adopt the same format. We offer them our thanks.
